

Career Services
Annual & Graduate Report

2013-2014

Career Services By The Numbers

Mission Statement

Career Services, a division of Student Services, strengthens the mission and goals of Utah State University by supporting the career exploration and employment success of students and alumni over a lifetime. Career Services' professionals provide programming and coaching to help students and alumni achieve their goals by:

- exploring majors & careers
- obtaining student employment & internships
- preparing for grad school & health professions
- taking admission & certification tests
- securing & succeeding in their careers

Services Offered

Fulfilling this mission is a group of highly trained professionals delivering a broad range of developmental programs, services, and events. These programs are delivered in order to develop lifelong career search skills in students and alumni through:

- one-on-one career coaching
- customized presentations and panels
- resume/cover letter writing
- grad school personal statement writing
- health professions advising
- social media writing for LinkedIn
- mock interviews
- on-campus interviews and info. sessions
- six on-campus career fairs
- "satellite" advising locations
- alumni networks
- computer access in the Career Café
- vibrant and up-to-date website including free career exploration and job search tools

Audiences Served

A total of 35,358* students, alumni and employers received assistance at Career Services this year, a 260% increase in four years. Eighty-four percent of students and alumni were satisfied or very satisfied with services received. Over 820,000 page views, and ~13M hits on the website helped students and alumni reach their career goals. The graph to the right illustrates the number of audiences served and associated delivery method.

*Includes repeat visits

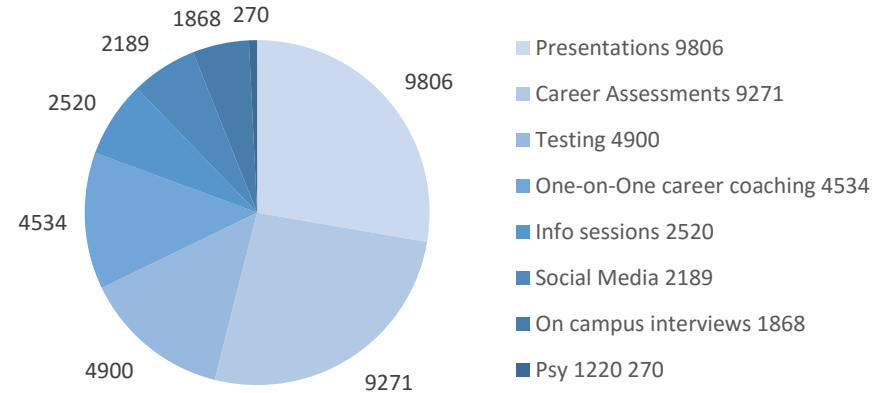

Career Exploration

Career Exploration programming includes: assessment instruments, one-on-one interpretations with specially trained career coaches/peers, presentations in small and large settings, and a career exploration course (PSY 1220). Career Services provides and interprets various career exploration assessments for a total of 9,271 uses of these important career tools including FOCUS2, Myers-Briggs, and Strong Interest Inventory.

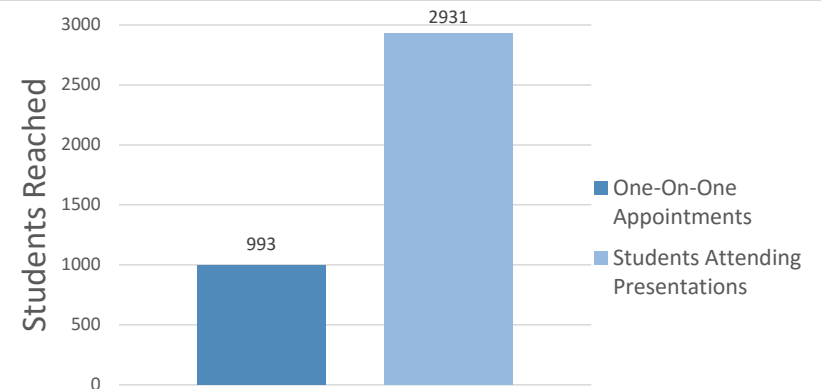

Experiential Education Courses

Formal internship programs exist in all eight colleges on campus and involve faculty internship coordinators working to support the blending of academic and "real-world" experiences for students. A total of 4,746 students participated in experiential education courses including internships for a total of 14,938 credit hours.

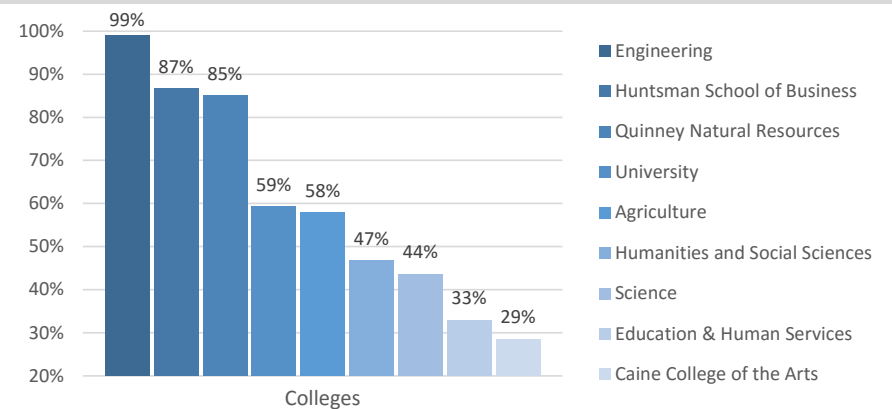

Audiences Served

Career Exploration

Paid Experiential Positions

Graduate School & Health Professions Prep & Testing

Career Services supports students continuing education by providing information about graduate school and health professions with over 100 schools from across the nation on-campus this year. A particular emphasis on applications and essays is part of the coaching provided. There were 4,900 tests given in the areas of undergraduate and graduate admissions, exams for credit, placement, and certification exams.

*Reduced numbers due to state offering ACT in high school

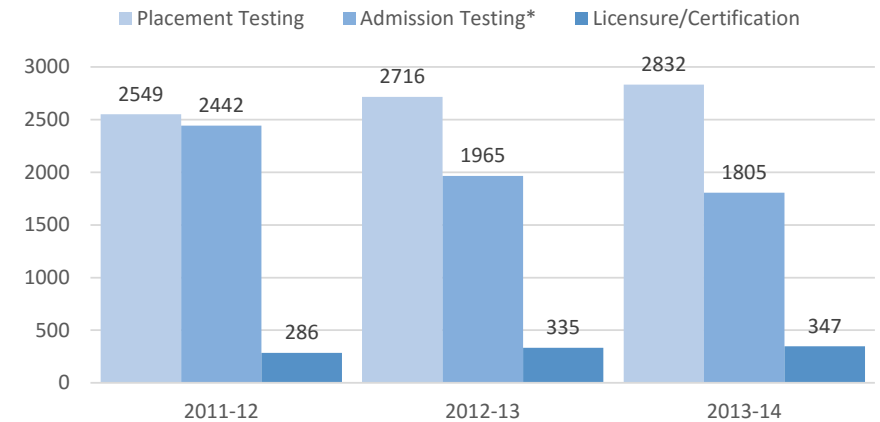

Career Employment & Recruitment

From on-campus recruiting to fairs/expos, the majority of career employment preparation takes place in the form of one-on-one career coaching and customized presentations to over 14,340 students. During the 2013-2014 recruiting year, 156 organizations participated in on-campus recruiting conducting 1,868 interviews. Seventy-two organizations held information sessions reaching 2,520 students.

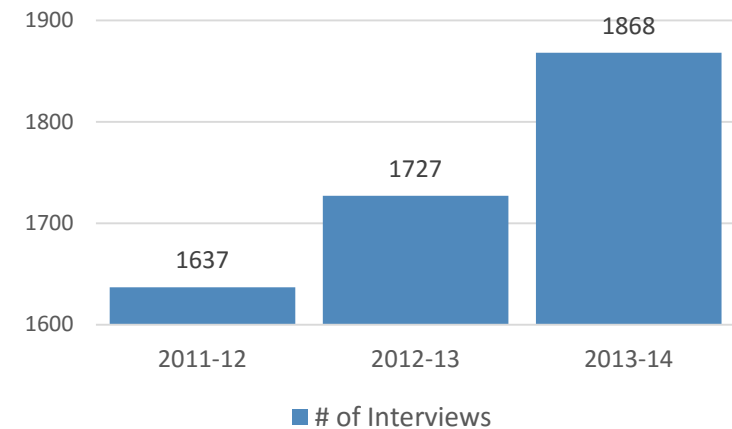

Career AGGIE

Career AGGIE is Career Services' online job posting and networking system. Students have access to over 12,251 employer contacts posting over 11,000 jobs last year. Posted positions include: student employment opportunities, internships, entry-level openings, and positions for experienced alumni. Career Services is a founding member of Rocky Jobs which allows employers to post jobs on rockyjobs.org thus reaching 17 member schools.

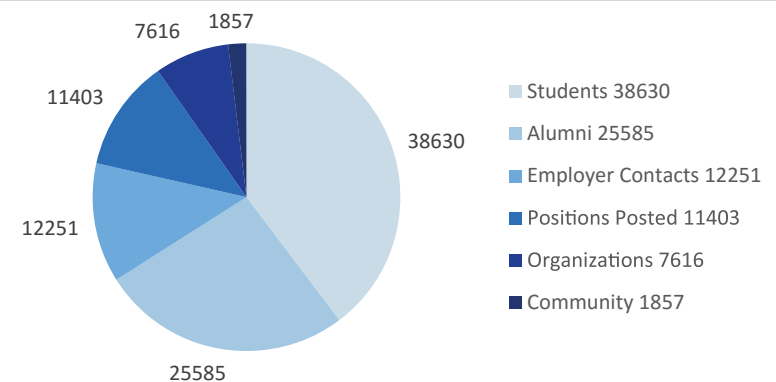

Tests Administered

On-campus Recruiting

Career AGGIE Usage

Career Fairs

Career Services hosts the state's largest Career Fairs, with eight targeted events including:

- Graduate School Fair
- STEM Fair
- Fall Career Fair
- Fall Alumni Fair
- Summer & Student Job Fair
- Spring Career Fair
- Teacher Fair
- Spring Alumni Fair

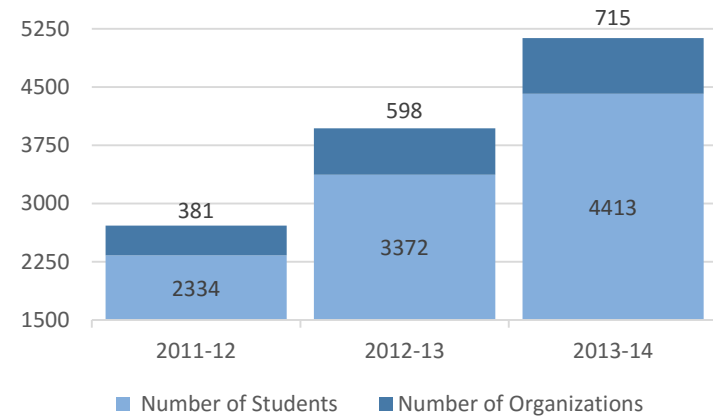

Social Networking

Social media is an important networking/recruiting tool utilized by students and employers. As of fall 2014, employers surveyed by the National Association of Colleges and Employers reported using LinkedIn (92.6%) and Facebook (73%) as recruitment tools. With over 2000 followers on Facebook, Twitter, and over 6000 in the Alumni LinkedIn group, students are encouraged to network with alumni, peers, and employers.

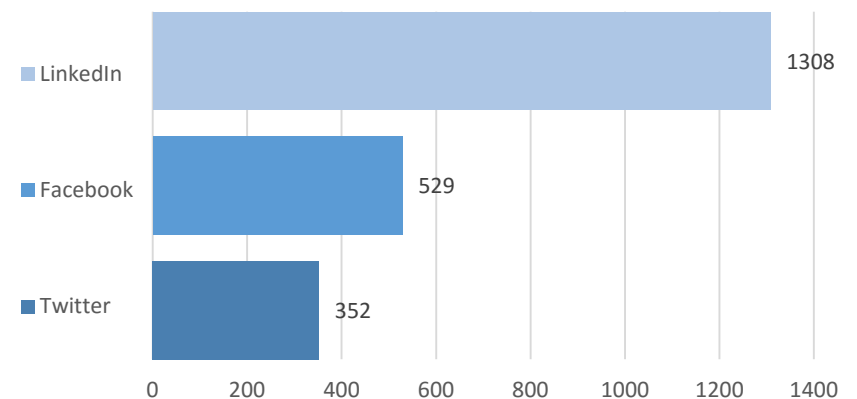

Assessment & Evaluation

To continue improving services offered, a comprehensive program of assessment and evaluation is ongoing. Each major program/event is evaluated. Career Services also surveys graduates three times, post-graduation, to assess employment and continuing education plans. Assessment and evaluation data is reviewed by the staff to make improvements to programming and services offered.

Career Fair Attendance

Social Media Followers as of May 2014

The staff at Career Services is actively involved in regional/national associations, in addition to benchmarking with other centers to assess trends. Each career coach maintains relationships with key constituent groups both on- and off-campus including all academic colleges, departments in Student Services, employers, and professional organizations.

Students Say...

"I would strongly advise any student or alum to take advantage of the resources that Career Services provides. From career mentoring to conducting mock interviews to proofing my resume, Career Services has been one of the resources that I have continued to use long after graduation. They have assisted me in fine tuning my career strategy and skills, which contributed to me landing a job with the San Antonio Spurs."

Matt Leishman,
BS Journalism, Alum

"My career coach was my cheerleader, my encourager, and my difference maker. My coach always let me know that I was a hot commodity, and that was something that resonated in my interviews. I ended up accepting an offer with an amazing company I never thought was in my potential. If I could go back and change one thing about my experience, I'd visit Career Services sooner!"

Elizabeth Morrell, BS Math/Statistics

"After countless interviews I went to Career Services. I had recently graduated and could not secure employment. After meeting with my career coach, I learned resume tips and interviewing skills. I interviewed twice after going to Career Services and was offered both positions. I love my new job and coworkers!"

Denise Kearl,
BS Social Work

"By utilizing Career Services, I gained an advantage that landed my internship and work with the First Lady's Luncheon in Washington, D.C. and ultimately an exciting job offer. Not only did my career coaches help me polish my resume and practice interview questions, they also calculated different salaries, put me in touch with valuable contacts, and let me use their office to do a phone interview."

Jamie Fielding Pickett, BA International Business & Economics
