Using Standout

1. Along with practice standout is very useful when it comes to sharing the practices you do with your career coach for feedback and help.

The screenshot shows the Standout interface. At the top, there is a navigation bar with a "Share" button circled in red. Below this, the user's response is displayed, including a video feed of the user. The main content area is titled "Available Reviewers" and contains a list of reviewer names, each with a plus sign. The name "Dannon Loveland" is circled in red. At the bottom of the list, there is a "Share by Link" button and a "Done" button.
