After employers interview on campus we send them an On-Campus Recruiting Visit Survey. The results of the survey are displayed in the following three graphs.

1) Please evaluate the preparedness of the student(s) you interviewed.

**2) What advice would you offer students to help them better prepare for an interview?
(Select all that apply)**

3) Overall, how would you describe the quality of services provided by the staff at Utah State's Career Services Center?
